

Farmers Market to Open this Saturday, April 13th

It's a sure sign of Spring with the debut of the Farmers Market at its new location at 40 Celt Rd., adjacent to the County Office Building in Downtown Stanardsville.

The Farmers Market will be open every Saturday through October, from 8:00am until noon. As we await the completion of a new Farmers Market Pavilion, the Market will open the season in the adjacent parking lot. The Pavilion will become the permanent home of the Market later this Spring and will be joined by a Performance Stage later this year.

Join us to experience the full splendor of the Greene Farmers Market, which not only includes the best local produce and meats that our community has to

offer, but also an array of baked goods, fresh coffee, and, once we're under the Pavilion, live music!

Farmers Market Pavilion Scheduled for Completion in Late Spring

It's the centerpiece and the showcase of the new Greene Commons complex in Downtown Stanardsville, a 70-foot by 30-foot Pavilion that will

serve as the home to the Farmers Market. The Pavilion will include a cement floor and, to the delight of farmers and vendors, a roof and electrical outlets, which means the Greene Farmers Market can take place rain or shine.

The Pavilion likewise will play host to community events and private gatherings of all varieties, from weddings and other types of parties to meetings, school events, and beer and wine tastings. You name it and we have it mind at the new Farmers Market Pavilion at Greene Commons in Stanardsville.

Stay Connected with Greene Commons with Our New Website

Stay connected with all the goings-on at both the Farmers Market and the soon-to-debut Performance Stage at Greene Commons through our new website at www.greenecommons.com. The

site includes a calendar of upcoming events, a list of vendors, and many other special features such as recipes and highlights of our farmers and vendors.
