

Stephanie A. Deal, Treasurer

April 26, 2023

Greetings from the Treasurer's Office,

The last few years have been challenging for us all, but it is a true blessing to see the smiling faces of our citizens.

As you may have heard, Greene County will soon be providing Water and Sewer services for the County. While the new department will be managing customer accounts and billing, the Treasurer's office will be accepting payments for water and sewer bills. We are currently establishing new processes and payment options. As we have more information, we will post updates on our webpage.

We look forward to serving you and appreciate your patience during this transition period. We are excited for our new team and upcoming improvements!

Sincerely,

Stephanie A. Deal

Treasurer
