## Why Recycle?

It reduces the amount of waste deposited in our landfill which means tax dollars saved.

It preserves natural resources.

It improves the environment.

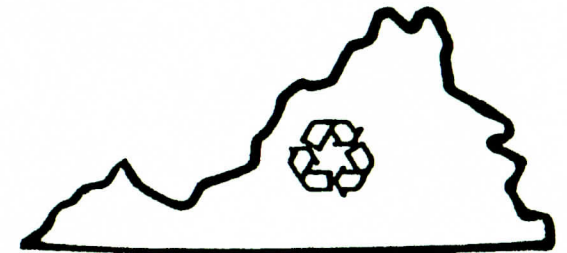

**WE CAN NO LONGER  
"THROW IT ALL AWAY."**

## Keep Greene Clean Committee

A volunteer organization in Greene County involved in environmental education, recycling, litter control, and preserving the natural beauty of Greene County for generations to come.

The committee meets the third Monday of each month in the County Administration Building. All interested persons are welcome to attend.
